company or person at any time. My obligations under this section shall continue beyond the termination of my employment.

5. I acknowledge that it is my absolute responsibility to ensure that any Developments owned by me, which relates to responsibilities of the kind which I may undertake at Oracle and which I desire to remove from the operation of this agreement has been identified in Exhibit A, attached hereto. If nothing is listed on Exhibit A, or if no Exhibit A is attached I warrant that no such intellectual property exists. If any Development assigned hereunder is based upon, or is incorporated into or is an improvement or derivative of, or cannot reasonably be made, used, reproduced and/or distributed without using or violating technology or rights owned or licensed by me and not assigned hereunder, I hereby grant Oracle a perpetual, worldwide, royalty-free, non-exclusive and sub-licensable right and license to exploit and exercise all such technology and rights in support of Oracle's exercise or exploitation of any such assigned Development(s) (including any modifications, improvements and derivatives thereof).
6. For the avoidance of doubt and to the extent permitted by law I consent to any act or omission of Oracle which would, but for this consent, infringe any of my moral rights (or any similar rights granted in any country of the world).
7. I will not during my Oracle employment engage in any other employment, occupation, consulting or other activity related to the business in which Oracle is now involved or becomes involved during the term of my employment.
8. I will not, during my Oracle employment and for a period of six months after the termination of my Oracle employment, directly or indirectly, whether through a third party or otherwise, recruit, solicit, induce, invite or otherwise encourage any Oracle employee to accept an employment or independent contractor or other business relationship with an employer or entity or person other than Oracle.
9. I will upon termination of my Oracle employment reaffirm my recognition of the importance of maintaining the confidentiality of Oracle's Proprietary Information and reaffirm all of the obligations set forth in this agreement.
10. I agree that upon termination of my Oracle employment I will immediately deliver to Oracle, and will not keep in my possession, recreate or deliver to anyone else, all property and materials belonging to Oracle including without limitation documents, software, discs, diskettes, tapes, records, data, notes and correspondence and copies or reproductions thereof whether or not developed by me during the course of my employment with Oracle, hardware, computers, terminals, telephones, badges, business cards, handbooks, policy manuals, software manuals and telephone directories. Upon termination of my Oracle employment, I will immediately cease using and/or accessing any and all Oracle accounts, including but not limited to email, voicemail, and other computer and network systems or accounts.

11. I agree that I will not, for a period of six months after the termination of my Oracle employment, for my own account or for the account of any other person or entity, solicit, call on or provide services similar to those which I provided to customers or clients of Oracle during my Oracle employment, for any of Oracle's customers or clients or prospective customer or client located in India or in any other countries during the twelve months preceding my termination from Oracle. I release Oracle from any infringement of my personal or property rights which occur through the exercise by Oracle of: any of its rights under this agreement; or any rights acquired by Oracle through my employment.
12. I understand and acknowledge that this agreement will be binding upon my heirs, executors, administrators and other legal representatives and will be for the benefit of Oracle, its successors and its assigns.
13. I agree that any legal action or proceeding involving Oracle which is in any way connected with this agreement may be instituted in Bangalore, India. I agree to submit to the jurisdiction of, and agree that venue is proper in, the aforesaid courts in any such legal action or proceeding.
14. If any provision of this agreement is determined to be invalid or unenforceable, the validity or enforceability of the other provisions shall not be affected. I understand that the obligations imposed upon me by this agreement are in addition to and not in substitution of any duties and obligations, which I may otherwise owe to Oracle to keep the Proprietary Information confidential. If I fail to comply with this agreement, I will indemnify Oracle for all loss and damage, which Oracle may suffer.
15. I will not enter into any agreement, written or oral, that conflict with the provisions of this agreement. I acknowledge that this agreement survives my employment by Oracle and that it may only be amended through written agreement between Oracle and I.
